

INTRODUCING

# PACIFIC COAST AGENT 3.0 Lite

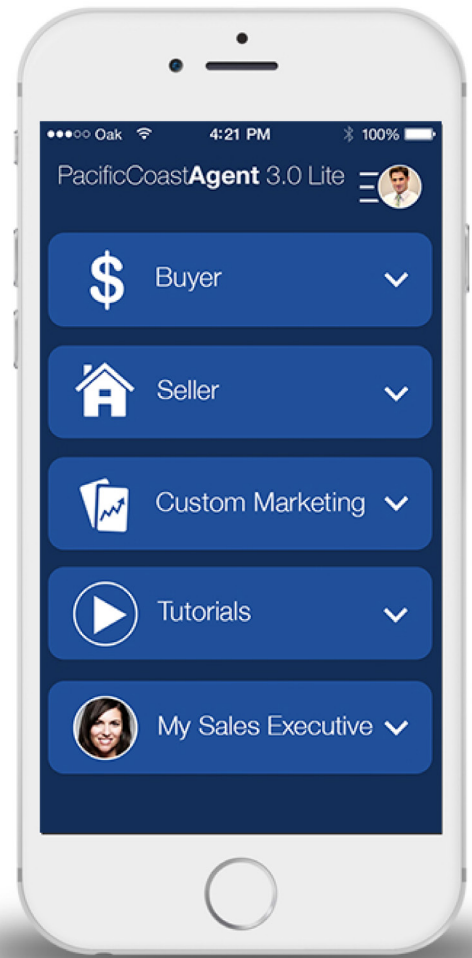

Making your number crunching a breeze.

Pacific Coast Title Company is excited to announce the launch of our Pacific Coast Agent 3.0 lite closing cost app. Our app comes preloaded with all of the calculations and closing cost scenarios used by Real Estate professionals.

## What's New?

The upgrade to PacificCoastAgent 3.0 Lite brings many changes. A few changes are an updated interface, a new user experience, loan comparison features, built-in video trainings, custom marketing materials and much more.

One thing hasn't changed. Features such as area specific closing costs, taxes and other defaults that help make your closing cost estimates a breeze.

Some features only available on Pro version

## Features Include:

- > Calculating Netsheets
- > Calculating Buyers Estimates
- > Loan Comparisons
- > Customizable Printouts
- > Customizable Marketing
- & Much More
